Imagine summer without a book to read.

For many children, it's not so hard to picture. **It's a reality.**

## Summer Slide

Kids who don't read in summer can drop two to four months behind their classmates in reading comprehension. By sixth grade, these children lag up to three years behind their peers - a nearly insurmountable gap.

Summer slide affects children from low-income families at significantly disproportionate rates, often due to simple lack of access to books outside of school.

## How do we help?

With our signature program, *Stop Summer Slide!*

At the end of each school year, Books for Keeps invites **8,000** children (and growing!) to pick out **12** books each to take home - for keeps! Since 2009, Books for Keeps has provided **550,000** books to K-5 grade students.

In 2019, Books for Keeps served 18 elementary schools in Athens, Atlanta, Elberton, and Warrenton, GA.

**And we're growing!**

## How can you help?

### Become a sponsor!

Our sponsorship program is designed to distinctly identify your organization as a supporter of education in your community. We will work with you to ensure that your organization is recognized as a leader in the fight to give Georgia's children access to books, no matter their economic status.

Each book makes a difference in the life of a child, and every dollar helps us reach more children. We hope you will consider supporting Books for Keeps' mission by committing to a sponsorship package.

*Books for Keeps is a 501(c)(3) nonprofit registered according to the Internal Revenue Service Code.  
All donations are tax-deductible.*
